

# Media contact list

This list provides contact details for media outlets in your area. Family Relationship Centre managers and staff living in your communities will have local knowledge of other media outlets that may not be listed here. Please use this list as a start to build your media contacts from.

The list includes local, metropolitan and community press, radio and television contacts.

Consult the attached *Short Guide to Community and Public Relations* for advice on how to raise awareness of your Centre through the media.
