Dear Sir,

PLEASE **DO NOT** MAKE CHANGES TO EXTEND ANTI-DISCRIMINATION LAW.

We oppose introduction of anti-discrimination law based on sexuality and gender identity which will have an **adverse impact** on freedom of Religion and of choice.

Churches and Christians have been subject to such laws.

We endorse a paper by Neil Foster, presented at a Conference on religion and law, which details some Australian and overseas cases and **highlights the adverse impact they have had on the freedom of religion.**

This is our Submission – Please do seriously take it into consideration.

THANK YOU

GOD BLESS !

Mr & Mrs Gary & Dalrene POMPEUS
