

Hello

Please accept this as a brief submission.

I ask that no changes be made to extend anti-discrimination law.

I oppose the introduction of anti-discrimination law based on sexuality and gender identity.

My rationale is based, partly, on the fact that there has already been adverse impact on freedom of choice and freedom of religion (we have attended the CYC camp at Phillip Island and I am aware of a case there, as well as others Australia-wide).

Regards

Frank C. Lees
