Implementation and resourcing of native title and related agreements May 2004	by Malcolm Allbrook and Dr Mary Anne Jebb This research report was commissioned by the Tribunal. It provides an analysis of agreement-making practice in native title, with special emphasis on implementing and resourcing agreements	http://www.nntt.gov.au/Publications-And-Research/Tribunal-Research/Documents/Implementation%20and%20resourcing%20of%20native%20title%20and%20related%20agreements.pdf
Agreements between mining companies and Indigenous communities : a report to the Australian Minerals and Energy Environment Foundation	prepared by Indigenous Support Services and ACIL Consulting	www.icmm.com/document/1131
Pastoral agreements: Content Ideas January 2006	This guide presents an overview of content ideas for agreements between pastoralists and native title parties. It provides a series of triggers to help parties canvass important issues during negotiations. It does not aim to be an exhaustive source of information on pastoral agreements or what they should include.	http://www.nntt.gov.au/Publications-And-Research/Tribunal-Research/Documents/Pastoral%20Agreements%20Content%20Ideas.pdf
Mining Agreements: Content Ideas August 2005	by Raine Quinn. This guide presents an overview of content ideas for agreements between mining companies and native title parties. It provides a series of triggers to help parties canvass important issues during negotiations. It does not aim to be an exhaustive source of information on mining agreements or specify what they should include.	http://www.nntt.gov.au/Publications-And-Research/Tribunal-Research/Documents/Mining%20Agreements%20Content%20Ideas.pdf

<p>Local Government Agreements: Content Ideas August 2005</p>	<p>by Raine Quinn. This guide presents an overview of content ideas for agreements between Local Government and native title parties. It provides a series of triggers to help parties canvass important issues during negotiations. It does not aim to be an exhaustive source of information on Local Government agreements or specify what they should include.</p>	<p>http://www.nntt.gov.au/Publications-And-Research/Tribunal-Research/Documents/Local%20Government%20Content%20Ideas.pdf</p>
<p>AIATSIS: Agreement precedents and legal resources</p>	<p>The AIATSIS 'NTRB knowledge management pilot: Agreement making' commenced in October 2009. It is a 12 month project examining options for the development of an agreement precedents database. The database will be a closed system with access restricted to native title representative bodies and service providers (NTRBs).</p>	<p>http://www.aiatsis.gov.au/ntru/agreements.html</p>
<p>Registered Native Title Bodies Corporate Toolkits</p>	<p>The NTRU has compiled toolkits for Registered Native Title Bodies Corporate (RNTBC). These toolkits have been created to assist native title holders to access information and resources regarding funding and training opportunities that may be relevant to their RNTBCs.</p>	<p>http://www.aiatsis.gov.au/ntru/RNTBCtoolkits.html</p>
<p>Scoping Process Issues in Negotiating Native Title Agreements</p>	<p>by Delwyn Everard 2009</p>	<p>http://www.aiatsis.gov.au/research/docs/dp/DP23.pdf</p>
<p>Native title and joint management of national parks</p>	<p>This project examines an increasingly critical issues for native title agreement-making: the joint management or co-management of national parks and other protected areas. Of particular interest are comparisons in what has been achieved through native title in a range of State and Territory agreements.</p>	<p>http://www.aiatsis.gov.au/ntru/jointmanagement.html</p>
<p>Guidelines for best practice flexible and sustainable agreement making</p>	<p>Joint Working Group on Indigenous Land Settlements August 2009</p>	<p>http://www.ag.gov.au/www/agd/rwpattach.nsf/VAP/(3273BD3F76A7A5DEDAE36942A54D7D90)-Guidelines for Best Practice in Flexible and Sustainable Agreement Making.pdf/\$file/Guideli</p>
