22 Application and transition

Amendments apply in relation to new corporations from
commencement

(1) The amendments of the Corporations (Aboriginal and Torres Strait
    Islander) Act 2006 (the main Act) made by this Division apply in
    relation to an Aboriginal and Torres Strait Islander corporation that is
    registered after the commencement of this item.

Already registered corporations have up to 2 years to comply

(2) The amendments also apply, in relation to an Aboriginal and Torres
    Strait Islander corporation that was registered before the
commencement of this item and that is still registered immediately before that commencement, on and from:

(a) the second anniversary of that commencement; or

(b) if the Registrar registers a constitutional change for the corporation under subitem (3) before that second anniversary—the day the Registrar does so.

(3) The Registrar may, before the second anniversary of the commencement of this item, register a constitutional change for an Aboriginal and Torres Strait Islander corporation under this subitem if:

(a) the constitutional change is lodged:

(i) by the corporation under section 69-20 of the main Act; or

(ii) by the special administrator of the corporation under section 69-25 of the main Act; and

(b) written notice of an intention to opt in to the amendments made by this Division is lodged with the constitutional change; and

(c) the Registrar is satisfied that, with the constitutional change, the internal governance rules of the corporation would comply with the internal governance rules requirements of the main Act as amended by this Division.

(4) If the Registrar is not satisfied as mentioned in paragraph (3)(c), the Registrar must refuse to register the change and must notify the corporation in writing of the Registrar’s refusal.

(5) In the table in section 617-1 of the main Act (reviewable decisions):

(a) the reference in item 6 to the provision under which the decision is made is taken to include a reference to subitem (4) of this item; and

(b) the reference in item 7 to the provision under which the decision is made is taken to include a reference to subitems (3) and (4) of this item.

2 year period also applies in relation to certain amendments to the Native Title legislation

(6) Before the time the amendments made by this Division start to apply under subitem (2) of this item to an Aboriginal and Torres Strait
Islander corporation registered before the commencement of this item, the corporation does not fail to meet the internal governance rules requirements merely because its constitution is not consistent with the Native Title Act 1993 as amended by Schedule 4 (allowing a registered native title body corporate to bring a compensation application).

(7) However, subitem (6) of this item does not apply for the purposes of subsection 69-35(2) of the main Act or subitem (3) of this item.
