hello the celebrant section

I have completed the survey and the clicks were at times very sensitive and wrong answers were recorded. so I had to do in two sections. please keep my original input as similar comments are in survey.

I have added an additional item which was not in survey.
the question of automatic de-registration in event of fee not being paid and the requirement to do the whole course again.

This item should be changed to allow the registration until fee is paid.
The celebrant does not instantly lose all the information he/she has on the expiry of the registration.
Imagine if this happened to and Aircraft engineer, A Doctor, A lawyer ETC ETC.
that person will have to redo the course again and waste 4 years.
please have a re-look at that piece of legislation

thank you jai singh
