

Today we live in the NANY STATE both NSW and federally  
This proposal is but one small step away from being on par with dictators and authoritarian gov's like  
Russia, Syria, china or north Korea  
PLESAE STOP THIS UNWARRENTED SPYING ON AU CITICENS  
STOP BIG BUSINESS FROM USING META DATA TO HUNT AND TROLL PEOPLE THROUGH THE  
AUSTRALIAN COUT SYSTEM

There used to be an old saying for increase gov power  
"if you haven't done anything wrong then you have nothing to be afraid of  
BUT IT NO LONGER HOLDS TRUE  
CIVIL PROCEDURE allows big business to decide what is right of wrong using money to force courts  
to interoperate laws in their favour to the detriment of the innocent.

Policy like this erodes all trust in government  
Politicians are ment to work for the people not against us
